

February 11, 2017

Dear Business Owner,

The Seattle Archdiocesan Council of Catholic Women act to support, educate and empower all Catholic women in the areas of Spirituality, Leadership and Service. We have many programs that help women grow in their faith, develop leadership skills and serve their communities. For example, we support efforts to combat Human Trafficking, locally and abroad, and raise money to help with the cost of educating Seminarians. We are a federation of Catholic women's groups (parish and community sponsored) and Individual Members who live throughout Western Washington.

Currently we are preparing for our Annual Summer Fundraiser which we are calling *A Sunset Soiree*, which will be held in Seattle hosted by Archbishop Emeritus Brunett. We are looking for businesses to help sponsor the cost of the event. Your donation of prepared Hors d'oeuvres, Desserts, Wine or Beer would also be appreciated. We would be pleased to provide listing of all of our business supporters on our website, a listing in our Annual Resource Guide for members and in the Event Program.

I appreciate your consideration of supporting us and our mission here in our beautiful state. Please contact me with any questions that you may have.

Sincerely,

Suzanne Lindergren

President, Seattle ACCW
